Oliver,

Do you think these two points should be added to the SAP? Or are you okay with it as written?

Thank

Attached is a draft SAP on HR 5982, the Midnight Rules Relief Act. (b) (5)

Attached please find a draft SAP and current bill text for HR5982, the Midnight Rule Relief Act of 2016. The bill is scheduled for consideration in House Rules on Monday afternoon. The bill would expand the scope of rules subject to the Congressional Review Act, and permit Congress to consider a resolution of disapproval covering multiple rules.

Please review and provide any edits by the deadline above.
